**ARTICLE 1**

**Name, Powers and Objectives**

Section 1. This labor organization, hereinafter referred to as the Union, shall be known as the

National Association of Letter Carriers of the United States of America and shall be identified by the initials NALC.

Sec. 2. This document shall be known as the Constitution of the National Association of Letter Carriers, Constitution for the Government of Subordinate and Federal Branches, Constitution for the Government of State Associations, Constitution and General Laws of the United States Letter Carriers Mutual Benefit Association and Health Benefit Plan.

Sec. 3. The Union shall have jurisdiction to make its own Constitution, Rules of Discipline and General Laws of the United States Letter Carriers Mutual Benefit Association and Health Benefit Plan.

Sec. 4. The National Convention shall be the supreme body to which final appeal shall be made on all matters emanating from Members, Branches and State Associations. There shall be no geographical limitations on the jurisdiction of the Union.

Sec. 5. The objects of the Association shall be: to unite all letter carriers and other employees of the Postal Service for their mutual benefit; to obtain and secure our rights as employees of the United States Postal Service and to strive at all times to promote the safety and the welfare of every member; in conjunction with the Postal Service, to strive for the constant improvement of the Service; to create and establish the NALC Life Insurance Department and the NALC Health Benefit Department; to construct, maintain, and operate the NALC buildings in the city of Washington, D.C. and other localities; to establish a non-contributory retirement program for officers and employees; to sponsor a non-profit

retirement housing facility in East Lake Wales, Florida, to be owned and operated by the National Association of Letter Carriers, Retirement, Educational, Security, Training, Incorporated—NALCREST; and to establish and operate, under rules adopted and promulgated by the National Executive Council, a fund composed wholly of voluntary contributions by the membership to be used at the national and local levels exclusively for the purpose of assisting candidates without regard to party affiliation for election to federal office who favor legislation in the interest of labor, said fund to be separate and apart from all other moneys and funds of the Union.

## **ARTICLE 2**

### **Branches, State Associations, Membership**

Section 1. Membership in the National Association of Letter Carriers shall be open without regard to race, creed, color, sex, national origin, age, religion, handicap, or marital status. Membership shall be:

(a). regular branch members who shall be non-supervisory employees in the Postal Service, and regular branch members who the Executive Council has determined were unjustly separated from the Postal Service, retirees from that Service who were regular members of the NALC when they retired, and persons leaving the Service with coverage under Office of Workers Compensation Programs (OWCP). Such retirees, OWCP departees, and non-letter carrier regular members shall have no voice or

vote in any matter pertaining to the ratification of a national working agreement, local memorandum of understanding, or proposed work stoppage;

(b). present members of existing Federal Branches may retain their membership;

(c). present members who have left the Postal Service, or have been temporarily or permanently promoted to supervisory status, may retain their membership but shall be members only for the purpose of membership in the NALC Life Insurance Plan and/or the NALC Health Benefit Plan. These members shall have no voice or vote in any of the affairs of such Branch, except they shall have a voice and vote at the Branch level upon matters appertaining to the NALC Life Insurance Plan, and/or the NALC Health Benefit Plan, if they are a member thereof, and on any proposition to raise dues. These members are not eligible to be candidates for any State Association, Branch, or National office, or delegates to any conventions. They may attend only that part of the meeting which concerns them, such as change of dues structure and information concerning Health or Life Insurance;

(d). a Form 1187 (Dues Check-off Provision) must be signed and filed by all applicants seeking membership within the NALC;

(e). a Form 1189 (Dues Check-off Provision) must be signed by all retiring members within the NALC who wish to retain their membership in said organization, effective October 1, 1982. An annuitant who was a member in good standing at the time of retirement may also sign this form and have their membership reinstated.

(f). Upon proper execution and receipt of Form 1187, the new member shall be provided by the NALC with a complimentary copy of the current National Agreement and NALC Constitution.

Sec. 2. All members of the National Association of Letter Carriers shall be affiliated with a Subordinate Branch and with the State Association, if one exists, in the State in which their branch shall have jurisdiction over members working under one or more Postmasters as determined by the branch charter. In the event the Postal Service shall combine one or more offices into one with a single Postmaster, the smaller branch or branches shall be merged with the largest branch into one branch, provided the provisions of Article 2, Section 3(e) are complied with. The number of any NALC members in the Branch will determine which is the largest. When the Postal Service shall separate one office into more than one office, the following shall apply: The smaller minority of these groups shall have the option, by majority vote, to continue their membership in the original subordinate branch, and also may form a subordinate branch or affiliate with a subordinate branch in the adjacent city.

Sec. 3. Mergers of Branches may be affected only in accordance with the following rules and regulations:

(a). each Branch proposing to merge shall, within a period of ninety (90) days, have a regular or special meeting. Such meeting shall be held for the purpose of considering a resolution calling for merger after at least thirty (30) days' notice of said meeting to each member, which notice shall set forth the details of the proposed merger;

(b). when a merger is formally voted upon and put into effect, it will be final and binding;

(c). the identity and geographic area covered by the Branch which will emerge from, or the name and number of the Branch which will survive, the merger or absorption shall be determined;

(d). any agreement or agreements between the applying Branches concerning by-laws, dues structure, terms and identity of officers, disposition of assets, assumption of liabilities, if any, and proposed effective date of the merger or absorption shall be specified;

(e). a majority affirmative vote of all regular members in good standing, present and voting, of each Branch proposing to merge, shall be necessary to authorize application for merger;

(f). an application to the President of the NALC signed by the President and Secretary of each Branch proposing to merge containing the following: a copy of the resolution adopted by each Branch; a certification by each Branch Secretary of the vote of their Branch, including the date and place of its meeting, the number of its eligible voters, and the number of affirmative votes cast; and a statement of the reasons for desiring the merger;

(g). upon receipt by the President of an application for merger on appropriate form from two or more Branches, the President of the NALC shall issue a charter forthwith;

(h). merger applications will be considered in the light of the following criteria, among others: all mergers will be on a voluntary basis, a merger may not cross the geographic boundary lines of a state, unless a consolidation of post offices across state lines puts the Branches under one installation head;

(i). if a substantial complaint is raised following Branch merger voting, documentation and supporting evidence of the charge or charges must be submitted to the National President, within thirty (30) days after such voting, who will in turn have the authority, upon review, to order a new vote to

be taken among all members in each respective Branch seeking merger in accordance with the voting procedures as contained in the By-Laws of each respective Branch, and the National Constitution.

Sec. 4. All members of branches within the geographic boundary lines of a state, except in states without a State Association, must be affiliated within the State Association under the name and title \_\_\_\_\_ State Association of Letter Carriers.

Sec. 5 (a). When receiving proper notification by the Branch Secretary that a member will complete twenty-five (25) years, or thirty (30) years, or thirty-five (35) years, or forty (40) years, and forty-five (45) years of membership, the National Association of Letter Carriers shall provide a suitable lapel pin to such member. In the year when a member is to complete fifty (50) years membership in this Association, and by proper request having been directed by the Branch Secretary to the National Secretary-Treasurer, a member shall be given a Life Membership Card of gold which shall entitle them to all privileges of membership in the National Association of Letter Carriers without payment of dues, per capita tax, or special assessments from the date of issue of such Life Membership Card; provided, however, that a Life Member shall not be exempt from the requirements of premium payments to the Mutual Benefit Association or the Health Benefit Plan. Life Members shall also be issued a suitable lapel pin. The Life Membership Card and the lapel pin shall be issued by the National Association through the office of the National President.

(b). In the year when a member is to complete fifty-five (55) years, sixty (60) years and sixty-five (65) years and when receiving proper notification by

the Branch Secretary, the National Association of Letter Carriers shall provide a suitable lapel pin to such member.

(c). In the year when a member is to complete seventy (70) and seventy-five (75) years and when receiving proper notification by the Branch Secretary, the National Association of Letter Carriers shall provide a suitable plaque for such member.

(d). For purposes of this Article 2, Section 5, membership in the National Alliance of Postal Employees prior to January 1, 1969 shall be treated as equivalent to membership in the National Association of Letter Carriers. Article 2, Section 5 shall also apply to any members who were denied NALC membership after January 1, 1969 and joined the National Alliance of Postal Employees.

## **ARTICLE 3**

### **Time and Place of Conventions and Special Meetings**

Section 1. The National Convention of this Union shall be held biennially in even-numbered years between the Fourth of July and third full week of August. The time and place of the Convention to be held in the year 2020, and all subsequent Conventions, will be determined by the Executive Council of the National Association of Letter Carriers, eliminating the sites of the two previous Conventions. Any materials and/or literature distributed at a National Convention must bear a union label. After a convention city has thus been selected, all further arrangements for the conduct of the Convention, the costs of which shall be borne by the National Convention Fund, shall be under the supervision and

authority of the Executive Council of the National Association of Letter Carriers.

Sec. 2. Special meetings shall be called by the President upon the written request of not less than one-half of all the Branches representing not less than two-thirds of this membership of this National Association of Letter Carriers. The Secretary-Treasurer shall notify by letter each Branch entitled to representation in the National Association of Letter Carriers, and also every member by a general notice printed in *The Postal Record* stating the object of the call. No other business shall be transacted at said special meeting.

If the object of the call is to raise per capita tax or to levy a general or special assessment on members, the Secretary shall send the aforesaid notice no less than 30 days before the meeting is convened.

Sec. 3. Three hundred delegates, from Branches in not less than 10 states, representing at least 8 percent of the Branches having an aggregate membership of at least 15 percent of the members of the NALC as shown by the records in the office of the National Secretary-Treasurer as of January of the current year, shall constitute a quorum, but less than that number may adjourn to meet at a future specified time.

Sec. 4 (a). National Business Agents shall have the authority to conduct Rap Sessions in their respective Regions, consistent with the needs of the area served, as determined by them.

(b). The National President shall, once each year except in the year of the National Convention, call a national conference. This conference shall be voluntarily attended by only State and Branch

Presidents or their designees, with their expenses to be borne by the State Association or Branch represented.

## **ARTICLE 4**

### **Delegates to the Convention**

Section 1. Each Branch having twenty (20) or less members shall be entitled to one delegate and one vote in the National Convention. Branches having more than twenty (20) members shall be entitled to one delegate and one vote for each twenty (20) members, or fraction thereof. Each State Association shall be entitled to two Delegates-at-Large. National Officers and Delegates-at-Large shall each be entitled to one vote, as such, provided that vote may not be cast for officers.

Each delegate shall be supplied with a certificate of election signed by the President and Recording Secretary of the Branch.

Sec. 2. Each delegate shall serve from the biennial meeting of the National Association succeeding their election until the next biennial meeting.

Sec. 3. At the regular election of Branch delegates, the Branch shall elect the same number of alternates as there are delegates elected; and, at the election of Delegates-at-Large, the State Association shall elect also two alternate Delegates-at-Large who shall be recognized as the delegate in the event of the inability of any delegate to attend the Convention, or of the death or resignation of any delegate. The Branch may elect both paid and unpaid delegates and alternates as long as every qualified member has an equal opportunity to run for both the paid and unpaid positions; provided,

that the alternate who received the highest number of votes shall be assigned to act instead of any one delegate who is unable to attend such Convention; and, when more than one delegate is unable to attend such Convention, alternates shall be assigned in accordance with the number of votes cast for each one in the election, and shall be certified in such numerical order to act in their stead. A delegate and their alternate shall not both be admitted during any one biennial or special meeting. Any vacancy in the office of delegate, Delegate-at-Large, or their alternates may be filled by election by the Branch or by the State Association. An alternate delegate before being admitted to the National Convention shall present either their certificate of election or written evidence from the Secretary of their Branch, or from the delegate for whom they are elected alternate, that the elected delegate is unable to attend the meeting of the National Association.

Sec. 4. National Officers and Delegates-at-Large shall each be entitled to one vote only. The delegates from any Branch present at the National Convention shall be allowed to cast the whole number of votes to which the Branch is entitled, provided such delegates agree unanimously as to who among them shall cast such vote. In case of disagreement, the delegates in attendance shall be entitled to such number of whole votes as can be divided equally among them each pro rata. The number of members for whom per capita tax is paid to the National Association for the term beginning October 1 prior to each Biennial Convention shall determine the number of votes and delegates to which the Branch is entitled at such Convention.

## **ARTICLE 5**

### **Elections**

Section 1. The provisions of this Article shall govern the election of all delegates and alternate delegates to the National Association Convention and to the State Association Convention.

Sec. 2. All qualified regular members shall be eligible to be a delegate or alternate delegate to the National Association Convention or State Convention, except that any regular member who voluntarily or otherwise, holds, accepts, or applies for a supervisory position in the Postal Service for any period of time, whether one (1) day or fraction thereof, either detailed, acting, probationary or permanently, shall immediately vacate any office held, and shall be ineligible to run for any office or to be a delegate to any Convention for a period of two (2) years after termination of such supervisory status. Upon nomination, the candidate must certify that they have not served in a supervisory capacity for the 24 months prior to the nomination.

Sec. 3. All regular members in good standing of the respective Subordinate Branch shall be entitled to one vote for each delegate and alternate delegate position to be filled.

Sec. 4. Election of delegates and alternate delegates to the National and State Association Convention shall be made no later than December of the year preceding the convention year. No less than 45 days before each election, the secretary shall mail to every member at their last known address, notice of the election, stating that election for National and State Association delegate and alternate shall be held and the time, place, and manner for nomination and

election. For purposes of this provision, the requirement that notices be mailed may be satisfied by publication of the notice in *The Postal Record* or in State or Branch publications that are mailed to the last known address of the member.

Sec. 5 (a). Each regular member shall have the right to nominate a candidate for National and State Association delegate or alternate delegate.

(b). Each candidate shall be nominated at a regular or special meeting of the Branch not less than four (4) weeks before the date of the election, but not less than 10 days after the notice of nomination and election has been sent out. A Branch may, however, provide in its by-laws that nominations may be made in writing, with the nomination to be received by the secretary not less than 30 days before the date of the election.

(c). Elections shall be by secret ballot. When there are more candidates for delegate or alternate delegate than the authorized number for the Branch, the election shall be by ballot, and the candidates receiving the largest number of votes shall be elected. There shall be no write-in votes for candidates not officially on the ballot. Any such write-in shall not be counted but will not invalidate the rest of the ballot. Each eligible regular member shall be entitled to one vote for each delegate or alternate position to be filled. Where there are fewer or the same number of candidates as the number of delegates and alternates for which the Branch is authorized, the President may declare that such persons have been elected. Adequate safeguards to ensure a fair election shall be provided, including the right of any candidate to have an observer at the counting of the votes and at any polling place. The National Executive Council is

hereby empowered to adopt and promulgate rules and regulations for the conduct of all elections in the Branches and State Associations which will provide such adequate safeguards. The election will be held at a regular meeting of the Branch; or a Branch may provide in its by-laws that ballots may also be cast at each station not more than seven (7) days, nor less than one day, before the regular meeting; or that the election shall be by a secret mail ballot. Whenever such elections are conducted by mail ballot, the last date on which ballots must be received in order to be counted shall be considered to be the date of the election. The Recording Secretary shall preserve for one year the ballots and all other records pertaining to the election.

(d). In any election of delegates to the National Association Convention, the President and secretary of the Branch or State Association shall inform the Secretary-Treasurer of the National Association in writing the name of every delegate elected through the registration procedure established by the Executive Council. If delegates to the State Association Convention are elected, the secretary will so advise the Secretary of the State Association utilizing the same procedure.

(e). Elections by State Associations of Delegate(s)-at-Large and alternate Delegate(s)-at-Large shall be as provided in the State Association By-laws.

## **ARTICLE 6**

### **Officers and Elections**

Section 1. The elective officers of this body shall be: a President, Executive Vice President, Vice President, Secretary-Treasurer, Assistant Secretary-

Treasurer, Director of City Delivery, Director of Safety and Health, Director of Life Insurance, Director of Health Benefits, Director of Retired Members who shall be a retired member, and Board of Trustees composed of three members, who shall be elected for a term of office of four (4) years or until their successors have been duly elected and installed and fifteen (15) National Business Agents. The elected officers shall, by virtue of their office, be delegates to the National Convention. In addition to their salaries, all elected officers shall be entitled to reimbursement of all itemized expenses legitimately incurred in conduct of the affairs of the Union.

Sec. 2. Every four (4) years, nominations for officers of the Union shall be called by the Chairperson of the Convention on the third day (Wednesday) of the Convention. The Chair shall call for nominations from the floor for each national office separately. Any delegate may nominate an eligible member for any one of the following national offices: President, Executive Vice President, Vice President, Secretary-Treasurer, Assistant Secretary-Treasurer, Director of City Delivery, Director of Safety and Health, Director of Life Insurance, Director of Health Benefits, Director of Retired Members, and a three-member Board of Trustees. Nominations of fifteen (15) National Business Agents shall be separately by NALC Regions, as constituted effective January 1, 1974, or as realigned by the Executive Council. Any realignment of the geographic boundaries of the 15 National Business Agent regions must be announced by the Executive Council and must be voted on and approved by the delegates, no later than the Convention preceding the next Convention at which nominations will take place. Only dele-

gates from the appropriate NALC Region may nominate candidates for the position of National Business Agent for such Region. Nomination to the position of National Business Agent in each Region shall be restricted to nominees whose Branch is located in such appropriate NALC Region. No person shall be nominated for any office without their written acceptance, on the officially prescribed form, which must include the endorsement from five (5) delegates representing five (5) Branches. The official form shall be handed to the Secretary-Treasurer at the time of nomination, and no person shall be permitted to accept nomination for more than one office at any Convention. These nominating forms shall be made immediately available by the Secretary-Treasurer for review by all candidates at the close of nominations. No second shall be necessary to a nomination, and no nominating speeches will be permitted by the Chair. No nominee who filed acceptance with the Secretary-Treasurer shall be allowed to withdraw their name. When there is but one candidate placed in nomination, the Chairperson shall declare the election by consent.

Sec. 3. The National Convention shall elect Delegates to the AFL-CIO Convention, except that the President and Secretary-Treasurer shall be Delegates by virtue of their office to said Convention, and their names shall not be required to appear on the election ballot for Delegates to the AFL-CIO Convention. Should the number of nominees exceed the number to be elected, the Delegates will be elected on a plurality basis and the listing of the names of the nominees for AFL-CIO Delegates shall be placed on the ballot in an order corresponding to the results of a lottery selection among the nominees.

Sec. 4. All regular members shall be eligible to hold any office in the National Association, except that only retired members are eligible for the office of Director of Retired Members. Any regular Branch member who shall accept a supervisory position in the Postal Service for any period of time, whether one (1) day or fraction thereof, either detailed, acting, probationary or permanently, or who shall leave the Postal Service, shall immediately vacate any office held by them in this National Association, its Branches, State Associations or its subsidiaries—the NALC Health Benefit Department, the NALC Life Insurance Department—unless the Executive Council finds the member was involuntarily separated from the service without just cause. Upon termination of such supervisory status, such member shall be ineligible for election to any office for two (2) years. Upon nomination, the candidate must certify that they have not served in a supervisory capacity for the 24 months prior to the nomination.

Sec. 5. During the nomination of officers, no motion except such as refers to the nomination, or to take a recess, shall be entertained or debate permitted.

Sec. 6. On the opening day of the Convention, the Chairperson shall appoint an Election Commissioner and a Board of Tellers to act as a committee which shall conduct the election, tabulate the votes cast, and make the count and announce the results of all calls for a “division of votes” during the Convention. This committee shall keep itself in readiness to make such a count at all times when the Convention is in session. When a teller vote is being taken, the doors of the auditorium shall be closed while the vote is taken. Nobody shall be allowed to enter or leave; the

Sergeant-at-Arms shall take appropriate steps to assure that only qualified delegates are in the meeting area.

Sec. 7. On the fourth day of each Biennial Convention, the Chairperson shall appoint a National Election Committee, consisting of not less than five members, none of who shall be candidates for a national office, who shall oversee the conduct of the election of national officers. The members of the National Election Committee shall elect a Chairperson from among the members and must retain the services of an independent, impartial balloting association to assist in the preparation, distribution, collection, and tabulation of ballots. The members of the National Election Committee shall be recompensed for their time loss and expenses.

Sec. 8. As soon as practicable after the Convention at which nominations for National Officers have been made, the National Secretary-Treasurer shall furnish to the National Election Committee a list of all members eligible to vote. To be so eligible, a member must be in good standing as of June 1 of the election year. There shall be one membership-wide ballot issued in each of the fifteen (15) NALC Regions authorized and established elsewhere in this Constitution reflecting the names of all nominees for the positions of President, Executive Vice President, Vice President, Secretary-Treasurer, Assistant Secretary-Treasurer, Director of City Delivery, Director of Safety and Health, Director of Life Insurance, Director of Health Benefits, Director of Retired Members, three members of the Board of Trustees, and the names of all nominees for the position of National Business Agent for one of the fifteen (15) NALC Regions. The National Election

Committee shall then be responsible for mailing ballots to all eligible members as soon as possible.

Sec. 9. The listing of the names of the nominees for all National Offices shall be placed on the ballot in an order corresponding to the results of a lottery selection among the nominees for each office.

Sec. 10. Ballots shall be accompanied by a copy of printed voting instructions and two envelopes. The larger envelope shall be postage pre-paid and shall be pre-addressed to a post office box established by the National Election Committee. The smaller envelope shall be used for securing the ballot within the return envelope and shall have no markings on it.

Sec. 11. All regular members shall be entitled to one vote for each office to be filled. The voter shall indicate their choice for each of the officers by following the procedure established by the National Election Committee as set forth in the ballot instructions. The voter shall then seal the ballot in the smaller envelope, enclose this envelope within the large one, and mail it to the post office box printed on the larger envelope. Write-in votes shall not be valid. No markings shall be made on the ballot or the smaller envelope other than as indicated in this Section.

Sec. 12. To be valid, ballots must be received by the time and date specified by the National Election Committee in the printed instructions which will be at least 18 and no later than 21 days from the final date upon which the ballots were mailed by the National Election Committee. On the date and at the time so specified, the ballots will be removed from the post office box by the National Election Committee and the balloting association retained by it, with at least three members of the National

Election Committee being present.

Sec. 13. The ballots shall be counted by the balloting association, under the supervision of the National Election Committee. Each candidate shall be entitled to have one observer present during the counting of ballots. Observers present for each respective candidate at the counting of ballots shall not be permitted to interfere in any manner with the counting and recording of same. Observers shall abide by all policies and rules adopted by the Balloting and Election Committees. In elections for all offices, the candidate (or candidates, where the election is for a group of identical offices) receiving the largest number of votes shall be declared elected. The final tabulations shall be certified by the balloting association to the National Election Committee; said results shall be promptly certified by the National Election Committee to the incumbent Secretary-Treasurer; and the results of the election shall be officially announced by the Secretary-Treasurer in the next edition of *The Postal Record*.

Sec. 14. The National Election Committee shall be authorized to decide, by majority vote, the validity of the ballots. All appeals in connection with the validity of the ballots or the election must be filed by a member in good standing with the National Election Committee not later than the 20th day of the month in which announcement of the results is published in *The Postal Record*. Such appeals must be in affidavit form and must specify the basis of the appeal in detail. The National Election Committee shall pass on such appeals within three weeks after receipt thereof and may hold hearings if it deems necessary. The decision of the National Election Committee upon said appeals shall be final and binding.

Sec. 15. In the case of a tie vote for a particular office, another election for that office shall be held among the candidates for whom an equal number of votes is cast. In the event of the death of a nominee for any office, the incumbent Executive Council shall be empowered, in its own discretion, to take such action as it deems necessary, including the holding of new nominations and elections for the affected office or offices.

Sec. 16. Upon the certification of the election results by the balloting association, the National Election Committee shall deposit, in such safe receptacle as may be designated by the Secretary-Treasurer, all ballots and records pertaining to the election where they shall be preserved for one year, after which they may be destroyed upon the written authorization of the Secretary-Treasurer.

Sec. 17. The newly elected officers shall assume their offices as soon after 45 days from the date of the certification of results by National Election Committee as is practicable.

## **ARTICLE 7**

### **Source and Distribution of Revenue**

Section 1. The revenue of the National Association shall be derived from the following sources: granting charters to Branches and State Associations; the sale of such supplies as may be required for the Branches and by regulation of the Executive Council under authority of the National Association; the per capita tax charged for each member of the Association in good standing; special assessments which may be levied; moneys which may be derived from the publication of *The Postal Record*; and such profits as may

accrue from the operation of the NALC building. No Postmaster shall be provided with a complimentary subscription or be permitted to purchase a subscription to *The Postal Record* without the express consent of the NALC Branch over which the Postmaster has USPS jurisdiction.

(a). A charge of one dollar shall be made for charters given to newly organized Branches in cities or villages wherein there are less than 20 carriers employed.

(b). A charge of five dollars shall be made for charters given to newly organized Branches in cities wherein there are 20 or more carriers employed.

(c). A charge of one dollar shall be made for charters given to State Associations.

Sec. 2 (a). There shall be a minimum dues structure which shall consist of the following: Each member shall pay monthly dues equal to two hours base pay for a NALC Grade 1, Step D letter carrier employed by the United States Postal Service. After November 24, 2018, each member shall pay monthly dues equal to two hours base pay for a NALC Step D letter carrier in the consolidated career City Carrier grade level (Table One) implemented on that date. One third of such dues shall be allocated to the national union and shall be designated the national per capita tax. The remaining two thirds of such dues shall be allocated to the member's branch and shall be designated minimum branch dues.

(b). Each member shall pay to the National Association the national per capita defined in paragraph (a), payable semi-annually on January 1 and July 1; provided, that members whose dues are checked off pursuant to a collective bargaining agreement need not advance their semi-annual tax, but

shall pay it by the method determined in the check-off agreement. A member who has retired from the Postal Service under the Civil Service Retirement Act or Federal Employees Retirement System shall pay to the National Association \$7 per annum payable semi-annually in advance or via dues check-off, as provided in Article 2, Section 1(e).

(c). No branch may have dues which are lower than the minimum branch dues defined in paragraph (a). Branches may have dues which are higher than the minimum branch dues.

Application of the foregoing provisions shall not result in a reduction of the dues income of any branch in effect as of July 31, 2000, and any increase in branch dues as of such date necessary to preserve such dues income shall be implemented automatically. This section shall become effective on January 1, 2001.

Sec. 4. No national, state, or branch officer, or member, or group of members, acting individually or in concert, shall call a strike or other work stoppage unless and until such action has been approved by the NALC Executive Council and/or the NALC National President.

### **By-laws of Branches and State Associations**

Each Branch or State Association may make, alter, or rescind such by-laws, rules, and regulations from time to time as may be deemed most expedient, providing they do not in any way conflict with this Constitution. By-laws of branches may be amended at any regular meeting of the branch, provided the amendment has been submitted in writing at the last previous regular branch meeting, and suitable

notification to members shall be made at least ten (10) days before the regular meeting at which the vote is to be taken. By-laws and amendments thereto, fixing the amount of initiation fees, dues, and reinstatement fees, or the time and place of meetings, shall become effective at the time determined by the Branch or State Association. All other by-laws must be submitted in duplicate to the Chairperson of the Committee of Laws and shall not become effective until approved by the Committee of Laws as provided in Article 11, Sec. 3, of this Constitution.

## **ARTICLE 16**

### **Collective Bargaining**

Section 1. Every member, by becoming or remaining a member of the Association, appoints the Association as their exclusive bargaining representative for purposes of entering into collective bargaining agreements with their employer, and for the resolution of any grievances or claims arising under such agreement. Each member agrees not to bring any action against the Association or any officer or representative thereof, for any act or omission by it in the exercise of its responsibility as their exclusive bargaining representative; provided, that such suit may be brought against the Association, or an officer or representative, if the Association or that officer or representative has been guilty of a deliberate breach of trust injuring the suing member.

The President shall appoint a Ballot Committee composed of fifteen (15) members from Branches in not less than fifteen (15) states.

Ratification shall be a mail referendum vote, and the ballot shall be mailed only to regular members of

the NALC, as defined in Article 2, Section 1(a), excluding retirees, OWCP departees, and non-letter carrier regular members, as shown by the records of the National Secretary-Treasurer as of ninety (90) days prior to the date that the proposed agreement is reached. The ballot shall provide only for the acceptance or rejection of the entire proposed agreement.

The Ballot Committee shall be called to National Headquarters by the National President, commencing with the conclusion of negotiations for the sole purposes of monitoring and observing the dispatch, receipt, and tabulation of the Ratification Ballot, and to determine the validity of challenged ballots, and of any objections to the conduct of the election.

Membership acceptance or rejection of a proposed National Agreement shall be by majority of valid ballots returned by the voters. When such majority votes to accept a proposed agreement, no other action shall be required of the Union membership. Suitable and timely notice of such results shall be made and certified to the membership by the Ballot Committee through *The Postal Record* and/or the *NALC Bulletin*. When a majority of valid ballots returned by the voters rejects the proposed agreement, the Ballot Committee shall: (a) cause suitable and timely notice of such results to be furnished and certified to the membership through the pages of *The Postal Record* and/or the *NALC Bulletin*; and (b) furnish and certify the same information to the National President.

When the majority of total votes cast is for rejection, the NALC negotiators shall inform the USPS and reopen negotiations within five (5) days after the vote is tallied. If negotiations are not reopened, the NALC negotiators shall determine if there will be binding arbitration, an immediate work stoppage, or

a designated job action. If negotiations are reopened, they will not exceed a period of fifteen (15) calendar days, at which time a second ballot shall be mailed to each member for ratification or rejection. If the membership rejects this second ballot, then the National President will determine if there will be binding arbitration, an immediate work stoppage, or a designated job action.

Sec. 2. In the case of a nationally sanctioned work stoppage, the President shall issue no recall to work until a full and unconditional amnesty is granted to all participants in that work stoppage.

Sec. 3. Any National Collective Bargaining Agreement entered into between the NALC and USPS shall be ratified by the regular members who shall be nonsupervisory employees in the Postal Service.

## **ARTICLE 17**

### **Litigation**

Section 1. The National Association is authorized, upon affirmative vote of the Executive Council, to pay all the expenses for investigating services, employment of counsel, and other necessary expenditures in any cause, matters, case, or cases where an officer, representative, employee, agent, or one charged with acting in behalf of the National Association is charged with any violation or violations of any law or is sued in any civil actions with respect to any matter arising out of their official duties; except if such officer, representative, employee, or agent is charged with a breach of his trust to the National Association or any subordinate body or member thereof, in which event they may be indemnified if the action is terminated favorably to them.

Sec. 2. Neither the National Association nor any of its officers shall be responsible or liable for the wrongful or unlawful acts of any Branch or State Association, or officers, members, or agents thereof, except where the National Association or its officers have actually participated in or actually authorized such acts, or have ratified such acts after actual knowledge thereof.

Sec. 3. No branch shall institute litigation in any court against the United States Postal Service or any successor organization to enforce, set aside, or declare the proper interpretation of any provision of a National Agreement between the Association and the United States Postal Service, except with the written approval of the National President.

## **ARTICLE 18**

### **Trusteeship**

Section 1 (a). If the President has or receives information which leads them to believe that any of the officers of a Branch or other subordinate body are dishonest or incompetent, or that such organizations are not being conducted in accordance with the Constitution and laws of the National Association or for the benefit of its members, or are being conducted in such a manner as to jeopardize the interest of the National Association or its subordinate bodies, or if the President believes that such action is necessary for the purpose of correcting corruption or financial malpractice, assuring the performance of collective bargaining agreements or other duties of a bargaining representative, restoring democratic procedures or otherwise carrying out legitimate objectives of such subordinate body, the President

may, upon the filing of charges, appoint a Trustee to take charge of and control the affairs of such Branch or other subordinate body with the powers set forth in Section 2 hereof; provided, however, that, before the appointment of such Trustee, the President shall set a time and place for hearing of the charges before a hearing officer appointed for the purpose of determining whether such Trustee shall be appointed, unless, in the judgment of the President, an emergency situation exists within the Branch or other subordinate body in which event the Trustee may be appointed prior to such hearing, but such hearing shall then commence within twenty (20) days and a decision shall be made by the President within sixty (60) days after the appointment of the Trustee as to whether the trusteeship should be continued. In either event, subsequent procedures shall be governed by Section 3 hereof.

(b). The President shall have the power, when in their judgment it is appropriate, to remove the Trustee the President has appointed and to appoint a different Trustee in their stead. If the President exercises this power, they shall so notify in writing the new Trustee, the replaced Trustee, and the Branch or subordinate body involved. The officers who conduct the hearing pursuant to Section 3 hereof shall not be eligible to be a Trustee of that Branch or subordinate body.

Sec. 2 (a). The Trustee shall be authorized and empowered to take full charge of the affairs of the Branch or other subordinate body, to remove any or all officers and appoint temporary officers at any time during their trusteeship, and to take such other action as in their judgment is necessary for the

preservation of the Branch or other subordinate body and its interests. The terms of office of officers so removed shall terminate as of the date of removal, unless they are otherwise absolved. The Trustee shall report from time to time on the affairs and transactions of the Branch or other subordinate body to the President. Their acts shall be subject to the supervision of the President. The President may remove Trustees at any time and may appoint successor Trustees.

(b). The removed officers shall turn over all moneys, books, and properties of the Branch or other subordinate body to the Trustee, who must receipt for the same.

(c). Temporary officers and Trustees must be members in good standing of the National Association. They must give bonds for the faithful discharge of their duties, satisfactory to whoever appointed them, which shall not be less than the amount of money they are apt to handle.

Sec. 3 (a). In all cases, a copy of the charges, together with a notice setting the time and place of hearing, including the name of the hearing officer who shall not be a member of the Branch or subordinate body involved, or the Trustee, shall be served on the Branch or other subordinate body at least ten (10) days, Sundays and holidays included, prior to the hearings by serving either the President, the Financial Secretary, or any two members of the Executive Council of the Branch or other subordinate body, personally or by registered or certified mail.

(b). The hearing officer shall make their report and recommendations to the President within ten (10) days after the hearing or date of receipt of the

transcript, and the President shall make their decision within ten (10) days of receipt of the report and recommendations, and such decision shall be immediately communicated to the Branch or other subordinate body involved. Appeals from such decision may be taken to the Executive Council within thirty (30) days upon the record made before the Hearing Officer; provided, however, that the decision of the President shall be effective for all purposes during the pendency of such appeal. Appeal from the Executive Council's decision may be taken to the Convention in accordance with Article 11, Sec. 4.

(c). The Trustee shall make a report to the President at least every three (3) months on the operation of the trusteeship. Either upon their own motion or upon a petition filed by a member or members of the Branch or other subordinate body for the restoration of self-government the President may, in their discretion, accord a hearing to be held on the petition before the President or their representative upon proper notice. A decision shall be rendered within sixty (60) days of such hearing. No such petition shall be entertained, however, prior to six (6) months after the appointment of the Trustee.

(d). If the President determines, either upon their own motion or after hearing, that self-government should be restored, the Trustee shall direct nomination and election of officers at such time and place as the Trustee determines, provisions of the Constitution of the Branch or other subordinate body's rules and by-laws to the contrary notwithstanding.

## **ARTICLE 19**

### **Referendum and Amendments to the Constitution**

Section 1. The Constitution and Laws of the National Association cannot be altered or amended at a Convention or special meeting except by a majority vote of all members present and voting; provided, that any proposition or amendment which has been approved, disapproved, adopted, or rejected by a referendum vote of the membership cannot be approved, disapproved, adopted, or rejected except by a referendum vote of the membership.

Sec. 2. Proposed amendments to the Constitution of the NALC, the Constitution for the Government of Subordinate and Federal Branches, and the Constitution for the Government of State Associations may be presented in writing in the manner herein set forth: (a) by any member of a Branch in good standing, signed by them, at a regular meeting of the Branch; providing, the proposal is endorsed by two-thirds of the members present and voting at the meeting; and (b) by any member of the NALC Executive Council, signed by them, at a regularly-called meeting of the Executive Council; provided, the proposal is endorsed by two-thirds of the members of the Executive Council present and voting at the meeting. Proposals thus qualifying shall be forwarded to the National Secretary-Treasurer in duplicate, each on a separate sheet of paper, at least sixty (60) days prior to the Convention, signed by the Branch President and Secretary, and in the case of the Executive Council by the Chairperson and Secretary thereof. These proposed amendments shall be printed in the official Journal of this Association at least 30

days prior to the National Convention. All proposed amendments to the Constitution and Laws shall designate the Article and Section to be amended, and shall be referred to the Executive Council, and be reported by them before being acted upon by the Convention. Said word acted to be interpreted as meaning altering, amending, or changing in any manner whatsoever by a majority vote of the Convention.

Sec. 3. Any resolution or amendment which shall have been passed at a meeting of the Association shall, upon the written request of not less than 10 percent of the Branches aggregating not less than 10 percent of the membership of the National Association of Letter Carriers as shown by the records in the office of the National Secretary-Treasurer on January 1 of the current year, be referred to all the Branches of this Association for their approval or rejection, a majority of all votes cast being necessary to repeal said amendment or resolution.

Sec. 4. This National Association in convention assembled may, by a majority vote, refer any resolution or amendment to the Constitution to the various Branches for a vote.

Sec. 5 (a). Propositions submitted for a referendum vote of the membership may be initiated by any Branch in good standing or by the NALC Executive Council; provided, that the proposal receives the endorsement of at least 10 percent of the Branches having an aggregate membership of at least 15 percent of the members of the National Association of Letter Carriers as shown by the records of the National Secretary-Treasurer on January 1 of the current year, said Branches to be located in not less than 15 states. The endorsement of any proposal shall be

by vote of the Branches signed by the Branch President and Secretary at least six (6) months prior to a biennial meeting of the National Association.

(b). Such petition shall, after being filed and verified, be printed in the current issue of *The Postal Record*. No more than four pages in each of the next two succeeding issues of *The Postal Record* shall be allowed for arguments pro and con on the proposed amendment or proposition. Such arguments are to be in the hands of the National Secretary-Treasurer not later than the fifth day of the second month following the printing of the petition. The call for a vote on said amendment or proposition shall be signed by the National President and National Secretary-Treasurer, and the amendment or proposition so stated that a yes or no vote can be registered.

(c). Immediately after the argument's pro and con appear in both issues of *The Postal Record*, the National Secretary-Treasurer shall furnish separate ballots in sufficient numbers to each Branch secretary for distribution, and it shall then be the duty of the secretary of each Branch to solicit the returns of the ballots, which shall be secret, with the vote marked thereon. The result of said vote shall be sent to the National Secretary-Treasurer within 60 days following the receipt of the blank ballots. All ballots shall be the property of the Branch after being voted and shall be filed by the secretary for a period of not less than one year. The result of the vote by city and Branch shall be printed in *The Postal Record*, and if a majority of the members voting favor said amendment or proposition, it shall become immediately operative, unless otherwise specified: provided, that not less than 50 percent of the total membership of the National Association of Letter

Carriers shall have voted on the proposed amendment or proposition submitted for a referendum.

(d). After a proposition or amendment has been once placed before the membership of the NALC for a vote, it shall not again be submitted for referendum action within one year.

Sec. 6. All amendments to this Constitution shall, unless otherwise provided for, take effect immediately.

## **ARTICLE 20**

### **Effects of Declaration of Invalidity**

If any provision of this Constitution, or the Constitution for the Government of Subordinate and Federal Branches, or the Constitution for the Government of State Associations, shall be declared invalid or inoperative by any competent government authority, the Executive Council shall have authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place a provision which will meet the objections to the validity and which will accord to the fullest extent practicable with the objectives of the original provision. Whenever the Executive Council exercises the powers granted herein, notice of the Constitutional change made shall be given in *The Postal Record*. If any provision of this Constitution, the Constitution for the Government of Subordinate and Federal Branches, or the Constitution for the Government of State Associations shall be declared inoperative or invalid by any competent government authority, the remainder of that Constitution, or the application of such provision to persons or circumstances other than those as to which it has been held invalid shall not be affected thereby.

## **ARTICLE 21**

### **Order of Business, National Convention**

(b). On the third day of the Convention (Wednesday), or right after the proposed Constitutional changes have been voted on, the Retirees resolutions and any other business pertaining to retirees or retirement shall be taken care of.

## **ARTICLE 22**

### **Health Plan Members**

Section 1. Notwithstanding the provision in Article 2, there shall be a health plan type of membership which shall include any active or retired employee of the United States government and of the District of Columbia government (except a nonsupervisory employee of the United States Postal Service), and supervisory employees in the Postal Service. In addition, health plan membership under this Article shall be available to the following categories of retirees from the Postal Service: (a) non-supervisory employees who were not regular members at the time of retirement; (b) non-supervisory employees who were regular members at the time of retirement but subsequently did not maintain membership under Article 2; and (c) employees who were in supervisory status at the time of retirement.

Sec. 2. A health plan member shall be a member

only for the purpose of enrollment in the NALC Health Benefit Plan and shall not have a voice or vote in any of the affairs of the NALC or its Branches, nor be eligible to hold any office in, or attend meetings of, the NALC or its Branches; nor be entitled to any services provided by the NALC or its Branches to other members, except services and benefits provided by the NALC Health Benefit Plan to its enrollees.

Sec. 3. Each health plan member who is a supervisory employee in the Postal Service must pay full national and state per capita taxes and, in addition, the prevailing dues of the branch which has jurisdiction over the zip code area where the member actually works. Each health plan member who is not a supervisory employee of the Postal Service shall pay directly to the National Association per capita tax of \$36 per annum or fraction thereof, payable on the date enrollment in the NALC Health Benefit Plan is effective, and on each January 1 thereafter during continuance of the enrollment. Health plan membership shall be terminated if per capita tax payment is not made within 60 days of the due date.

Sec. 4 (a). For the advancement of the NALC Health Benefit Plan, twelve dollars (\$12.00) of the per annum per capita tax paid by a health plan member shall be paid by the National Association to the Branch which has jurisdiction over the zip code area where the member works, or, if retired, the zip code area where the retired member lives.

---

#### **PREAMBLE**

For the purpose of effecting uniformity in the administration of its privileges, honors, and benefits, the National Association of Letter Carriers, in convention, ordains the following Constitution for the government of Branches under its jurisdiction.

#### **ARTICLE 1**

##### **Name and Object**

Section 1. This Branch shall be known as \_\_\_\_\_ Branch No. \_\_\_\_\_ of the National Association of Letter Carriers of the United States of America.

Sec. 2. The objects of this Branch are to unite all employees who are eligible for membership under Article 2, Section 2, of the National Constitution into one harmonious body for their mutual benefit, and to assist the National Association of Letter Carriers in its efforts to improve the condition of its entire membership.

## **ARTICLE 2**

### **Membership**

Section 1. Application for membership must be made in writing, signed by the applicant, stating age, social security number, place of residence, and such other information as may be determined by the Branch. A Form 1187 (Dues Check-off) must be signed by all applicants seeking a membership in the Branch and the NALC.

Sec. 2. Any regular branch member on tendering a written resignation of membership and paying all fines, assessments, and dues shall receive from the Secretary a certificate thereto. Such certificate shall be proof of good standing at the time of resignation.

Sec. 3 (a). Any regular branch member in good standing in their Branch, moving their employment to another city, or retiree in good standing in their Branch moving to another city, may transfer membership to the Branch located in such city.

(b). The membership of an active member shall be transferred in accordance with procedures established by the Secretary-Treasurer of the National Association.

(c). In the case of a retiree member seeking to transfer membership, they shall make application to the Recording Secretary of their Branch, who shall ascertain from the Financial Secretary if all dues and assessments charged against them on that date are fully paid; if so, it shall be the duty of the Recording Secretary to announce at the next regular meeting of the Branch that the application has been received and all obligations discharged. There being no objections, the Recording Secretary will at once forward to the Recording Secretary of the Branch with which

affiliation is desired, a letter of recommendation. The letter shall be read at the first regular meeting of the receiving Branch held after its receipt and the transferred individual shall be considered a member at that time. The Recording Secretary of the Branch shall then notify the Recording Secretary of the original Branch that the transferee has been received into membership.

### **ARTICLE 3**

#### **Meetings**

Section 1. The regular meetings of the Branch shall be held not less than once a month, at such time and place as may be designated in the Branch by-laws. Each Branch, with prior approval of its membership, shall have the option of only meeting ten (10) times per year.

Sec. 2. Special meetings shall be called by the President upon the written request of \_\_\_\_\_ members (number to be determined by the Branch) in good standing or by vote of the Branch and notification of such meetings, stating the object of the call, shall be given the members by the Recording Secretary as directed by the Branch or as required by the by-laws.

Sec. 3. No business shall be transacted at a special meeting other than that for which it may have been called.

Sec. 4. The Branch shall be called to order at the time prescribed in the by-laws if a quorum be present.

Sec. 5. In the absence of the President and Vice President, any member in good standing may be elected to preside by a majority of those present.

However, Branches in their by-laws may designate one or more officer(s) to preside in the absence of the President and Vice President.

## **ARTICLE 4**

### **Officers**

Section 1. The officers of the Branch shall be a President, Vice President, Recording Secretary, Financial Secretary, Treasurer, Sergeant-at-Arms, MBA Representative, a Health Benefits Representative, and a Board of Trustees composed of either three or five members. The Branch may provide for additional elective offices in its by-laws. Branches may provide in their by-laws for the inclusion of Stewards on the executive board.

Sec. 2. All officers shall be elected for a term of one (1), two (2), or three (3) years, at the option of the Branch, or until their successors are duly elected and installed. With the exception of the office of the President, which is expressly provided for in Article 6, Section 2, herein, Branches may make provision in their by-laws for succession to the offices of all other officers in the event of death, resignation, disqualification, refusal or neglect of such officers to discharge the duties of their office. If no such provision is made, the Branch President may appoint the successor until the next regular Branch election.

Sec. 3. With the exception of the office of President, Branches may consolidate the offices of the Branch. However, if there are less than ten (10) active members, the office of President may be combined with other offices.

Sec. 4. Branches at their option may require all

candidates for office or delegate to be present at the meeting when nominated or signify in writing their willingness to serve if elected.

Sec. 5. Branches having members in two or more stations may make provisions in their by-laws for station delegates, representatives, or shop stewards to be appointed or elected, within the respective stations as the Branch may be determined, and whose duties shall be to guard the interests of the Branch in their particular station under the direction of the Branch or its officers.

## **ARTICLE 5**

### **Elections**

Section 1. The provisions of this Article shall govern the election for all Branch officers or other elected Branch positions.

Sec. 2. All regular members shall be eligible to hold any office or position in the Branch, except that a member who voluntarily or otherwise, holds, accepts, or applies for a supervisory position in the Postal Service for any period of time, whether one (1) day or fraction thereof, either detailed, acting, probationary or permanently, shall immediately vacate any office held, and shall be ineligible to run for any office or other position for a period of two (2) years after termination of such supervisory status. Upon nomination, the candidate must verify that they have not served in a supervisory capacity for the 24 months prior to the nomination.

Sec. 3. All regular members shall be entitled to one vote for each office or position to be filled. However, station delegates, representatives, or shop stewards may be elected only by the regular members within

the station or area they represent. Branch stewards and any other persons who are members of the Branch Executive Board or similar body must be elected by the entire branch, not just by the station or area they represent.

Sec. 4. Election of officers shall take place at a time prescribed by the Branch by-laws. No less than 45 days before each election, the Secretary shall mail to every member notice of the election, stating the offices for which election shall be had and the time, place, manner for nomination and election. For purposes of this provision, the requirement that notices be mailed may be satisfied by timely publication of the notice in *The Postal Record*, or in State or Branch publications that are mailed to the last known address of the member.

Sec. 5 (a). Every regular member shall have the right to nominate a candidate for any office or position to be filled.

(b). Each candidate shall be nominated at a regular or special meeting of the Branch not less than four (4) weeks before the date of the election, but not less than 10 days after the notice of nomination and election has been sent out. A Branch may, however, provide in its by-laws that nominations may be made in writing, with the nominations to be received by the Secretary not less than 30 days before the date of the election.

(c). Elections shall be by secret ballot. When there are two or more candidates for any office, the election shall be by ballot and the plurality of all votes cast for such office shall be necessary to elect. There shall be no write-in votes for candidates not officially on the ballot. Any such write-in shall not be counted, but will not invalidate the rest of

the ballot. Each eligible regular member shall be entitled to one vote for each position to be filled. When there is but one candidate for any office, the President may declare that such person has been elected. Adequate safeguards to ensure a fair election shall be provided, including the right of any candidate to have an observer at the counting of the votes and at any polling place. The election may be held at a regular meeting of the Branch, or a Branch may provide in its by-laws that ballots may also be cast at each station not more than seven (7) days, nor less than one (1) day before the regular meeting, or that the election may be by a secret mail ballot. Whenever such elections are conducted by mail ballot, the last date on which ballots must be received in order to be counted shall be considered to be the date of the election. The Recording Secretary shall preserve for one year the ballots and all other records pertaining to the election.

Sec. 6. Installation of Branch officers shall take place at the first or second meeting of the Branch following their election and shall be by such ceremony as the National Association may provide. Any National officer, a Past President of the National Association, a President or Past President of a State Association shall act as Installing Officer provided that in their absence any officer of a State Association or the Past President of a Branch may act as such.

## **ARTICLE 6**

### **Duties of Officers**

#### **President**

Section 1. The President shall preside at all meetings of the Branch; preserve order; sign all warrants on the Treasurer ordered drawn by the Branch, and all other papers ordered by the Branch; have general supervisory powers over the Branch; see that officers perform their duties, enforce the Constitution, By-Laws, Rules and Regulations of the Branch; appoint all committees not otherwise provided for; give the deciding vote when a tie occurs; examine and announce the result of all balloting and other votes. They shall not make or second any motion or take part in any debate while in the Chair; they shall ascertain from the Financial Secretary before adjournment of the meeting the amount of money received since the previous meeting, and from the Treasurer if they have received the same. At the end of their term, they shall make a report showing the progress and condition of the Branch.

The President shall, together with the Treasurer, sign and file with the Secretary of Labor on behalf of the Branch, an annual financial report if required by public law. The filing of such report will be required unless the Branch has received express notification from the National Association that it is exempt from such requirements.

The President shall, by virtue of their office, be the chief steward for the Branch, and they may delegate such authority to other members. The President shall at all times have the authority to relieve any steward, whether appointed or elected, of any representational duties or functions, and to assign such

duties or functions to another member appointed by the President, whenever the President concludes that such action is necessary to ensure that the Branch meets its representational responsibilities or to ensure Branch compliance with NALC policy.

The President shall appoint one member or officer of the branch as a Letter Carrier Political Fund (LCPF) coordinator to educate the members of the branch so as to promote participation in the political fund established in Article 1, Section 5 of the NALC Constitution.

### **Vice President**

Sec. 2. The Vice President shall preside in the absence of the President, and in case of death, resignation, disqualification, refusal or neglect of the President to discharge the duties of their office, the Vice President shall then perform all duties incumbent upon the President for the remainder of the term of office. However, a Branch with an Executive Vice President may provide in its by-laws that the Executive Vice President shall succeed to the Presidency.

### **Recording Secretary**

Sec. 3. The Recording Secretary shall keep a correct record of the proceedings of the Branch in a book to be kept for that purpose. They shall draw all warrants on the Treasurer ordered by the Branch. They shall notify applicants for membership in writing of their election or rejection, and members of their suspension, expulsion or acceptance of resignation. They shall report to the National Secretary-Treasurer immediately the suspension, expulsion, or reinstatement of a member. They shall

attend to all correspondence of the Branch, and properly mark and file all papers ready for inspection at any time and notify the members of special meetings when ordered by the President. They shall make semi-annually a report to the Branch showing the number of members elected, rejected, initiated, suspended, reinstated, with-drawn, and the number of deaths, giving date of death; also, the receipts, benefits paid, amount expended, and amount on hand. Within one week after their term expires, or upon an earlier termination thereof, they shall deliver to their successor all books and papers together with all other property of the Branch in their possession.

### **Financial Secretary**

Sec. 4. The Financial Secretary shall keep a record book showing the names of members, when admitted and place of residence, collect dues and all other moneys due the Branch, keep a regular account thereof, and at each meeting (or prior there-to whenever the prompt payment of the National per capita tax or other necessity may require same) pay the same to the Treasurer, take their receipts and retain them as vouchers in settlement. They shall personally, or through duly authorized deputies appointed when necessary for each station, and who shall whenever practicable be the station delegate or representative selected or appointed to represent the station, solicit payment from all members in arrears, and on the day of an election and before a ballot taken, furnish the President with a list of members not entitled to vote. They shall semi-annually furnish the National Secretary-Treasurer with a list of names of all the members of the Branch in good standing and shall notify the National Secretary-Treasurer monthly of the

election of new members, also those suspended, expelled, deceased or resigned. Any officer of the

Branch who shall fail or neglect to discharge the duties of their office, or who may be guilty of gross misconduct, may be removed from office. These determinations shall be made by the members present and voting at the next regular Branch meeting after which said charges were read to the Branch. The vote regarding any of the above matters may be continued once, by motion, to the following regular Branch meeting.

We are glad to have you join with us in the good work of this union, and hereby offer you the privilege of membership.

## **Form of Funeral Ceremonial (for optional use)**

PRESIDENT or DELEGATE: Death has invaded our ranks and taken from us a member; a voice in our council has been silenced; at any moment may come the call that surely must be answered; death takes some dear one, and in their place leaves sorrow, loneliness, and pain.

Once, but surely once, will come to every one of us the call that takes a soul from earth into the great beyond. We cannot know why one rather than another has been chosen; One, greater and far wiser than ourselves, has full control of that great question. It is our duty, with the best grace that we can command, to bow submissively before the will of God.

A sad occasion like this, which calls us now to surround a deceased letter carrier, is to us full of instruction if we would but heed the lesson taught us in such a solemn manner today. We are reminded that we, too, are mortal; we are here today and in eternity tomorrow.

The rich and poor alike come to the final resting place. Pride and humility, wealth and poverty, under the greenward find a common level.

Our member is not now of earth. They have made their last trip, hung up their sack, and turned in their timesheet to the Eternal Time-keeper; but we sincerely hope that their liberated soul may ever drink pure draughts from the never-failing streams of eternal life.

May this ceremony serve to bring us into that sympathy and harmony of spirit that is ever found in the union of memories, of sorrow and aspirations.

And now, while we mourn the departure of a beloved member, and sympathize with those whose loss is

greater than ours, let us cherish their memory and profit by the proof of the Divine Will and Almighty Power. (Let us pray.)

Our Father and our God, who art the Resurrection and the Life, in Whom whosoever believeth shall live though we die, and whosoever liveth and believeth in Thee shall never die; hear, we beseech Thee, the voice of Thy creatures here assembled, and turn not away from our supplications.

In Thy hands alone are the issues of life and death; and we humbly beseech Thee to look upon us in tender compassion while we console with those who weep.

Remember these bereaved ones in Thy mercy; give them patience to bear their affliction and be Thou their strength and shield at all times. Buoy them up under this heavy stroke and sustain them against despondency. O! wilt Thou be their Father and their God and pour down from on high Thy blessings upon their heads.

Bless those here assembled; impress them with their duty to each other; and their obligations in the various relations of human life, and unto Thee shall we render praise forever.  
AMEN.

You will each raise your right hand and repeat after me the following obligation. I do solemnly promise on my honor that I will faithfully attend the meetings of the Branch, observe and faithfully execute the laws of the National Association of Letter Carriers and the By-Laws of this Branch. I will perform, to the best of my ability the duties of the office to which I have been elected, guard all property placed in my charge, and at the expiration of my term of office turn the same over to my successor. The Assistant will conduct you to your station.

## **MBA and Health Benefits Representatives**

INSTALLING OFFICER: Your duties are of such a nature as to almost appear to be a connecting link between life and death, to keep a record of the insured member from birth, and an accurate account with them and the Director of Life Insurance and the Director of Health Insurance, so that should any of them be summoned hence, or be disabled while you hold your office, those left dependent upon them will have no cause to complain.

were elected Treasurer. Carefully guard all funds placed in your hands and at all times be prepared to render an account to your Branch.

## **Financial and Recording Secretaries**

## **Vice President**

INSTALLING OFFICER: It is no doubt a matter of some pride to you to be chosen the second officer of your Branch. It will be your duty to become familiar with the laws, usages, and customs of the Association, as well as the duties of the President in order that in their absence you may be able to assume their position with credit to yourself and the Branch.

## **President**

ASSISTANT INSTALLING OFFICER: I now have the pleasure of introducing to you the President.

INSTALLING OFFICER: Your election to the office of President of this Branch is an indication of the high esteem in which you are held by your associate members. Your duties are many, and chief among them is to be at all times ready to promote the welfare of the Association and enforce the laws with firmness and impartiality, so that when the sound of this gavel, the symbol of authority, which I now present to you, is heard, it will be cheerfully and willingly obeyed. May you continue in the good work begun, and may success crown your efforts.\*\*\* I now, by the power in me vested by the National Association of Letter Carriers, do declare the officers of \_\_\_\_\_

### Plans of Insurance

Section 1. **Option One.** Ordinary life certificates issued since January 1, 1912, and prior to January 1, 1938, and all certificates issued prior to January 1, 1912, on which members assumed payment of the prescribed rates at their then-attained age are designated as Option One Certificates. Such certificates provide for the monthly payment of assessments of premiums during the life of the member and, at death of the member, the beneficiary will receive the face amount of the certificate subject to General Laws governing payment of death claims. These certificates are issued on the basis of the National Fraternal Congress Table of Mortality and 4% interest. Such certificates provide for paid-up values at age 65 or older, and for cash surrender values at age 70 or older.

Sec. 2. **Option Two.** Endowment at 70 certificates issued since January 1, 1912, and prior to January 1, 1938, provide for the monthly payment of premium assessments to age 70 years. When the member reaches the age of 70 years, they will then pay no more assessments, but can draw annually, from the Fund until death, one-tenth of the amount of their benefit certificate. If death occurs before the sum of yearly installments equals the amount of their benefit certificate, the unpaid balance shall be paid to their beneficiary in one sum. Such certificates are issued on the basis of the National Fraternal Congress Table of Mortality and 4% interest.

Sec. 3. **Option Three.** Term to age 60 certificates issued since January 1, 1912, and prior to January 1, 1938, pro-

vide for the monthly payment of premium assessments to age 60 years. If death occurs before the member reaches the age of 60 years, the full amount of the benefit certificate will be paid to the beneficiary. Such certificates become null and void at age 60, and no benefits are payable thereafter. Such certificates are issued on the basis of the National Fraternal Congress Table of Mortality and 4% interest.

**Sec. 4. Payment of Total and Permanent Disability Claims Under Options Two and Three.**

(a). A member who has accepted either Option No. 2 or 3, who may become totally and permanently disabled by other than their illegal, reckless, or fool-hardy act, and who is in good standing in the MBA at the time of such disability, may receive the face amount of their certificate in total and permanent disability benefit.

(b). In case a member entitled to disability benefits shall be insane or otherwise legally incompetent, the money due on account of such disability during the existence of such condition may be paid to the spouse or adult beneficiary named in the benefit certificate, or to a legally designated representative of the member in 10 equal annual installments, not exceeding the face value of the benefit certificate, for use and benefit of such member, and the receipt of such spouse, beneficiary, or legal representative shall be sufficient.

(c). On the death of a member, the amount provided in their benefit certificate, less any amounts for postmortem deductions or which have been paid on account of annuity installments, shall be paid to the person or persons legally entitled thereto.

(d). A member claiming total and permanent disability benefits as herein provided shall make claims for such benefits on the blanks provided by the Board of Trustees and shall furnish such other sworn proofs as the Board of Trustees may require.

(e). A member claiming total and permanent disability benefits herein provided for shall, at the time of making the claims for benefits, submit to the Board of Trustees

the sworn affidavits of two or more qualified practicing physicians, one of whom can be selected by the Board of Trustees, showing that for six consecutive months immediately preceding the filing of such proof, such member has been and is still totally and permanently disabled as required by these laws.

(f). The Board of Trustees and the Chief Medical Examiner shall examine and pass upon claims for total and permanent disability benefits, and if they deem that the proofs establish the fact of total and permanent disability, direct the Director of Life Insurance to make payments of benefits under the provisions herein provided.

(g). If the Board of Trustees are not satisfied with the proofs of total and permanent disability of the member making such claim, they may direct that they be placed on the probationary list for such time as in their judgment will clearly establish the fact of total and permanent disability. The Board of Trustees may permit the discontinuance of payment of assessments by said member during said probationary period.

(h). Whenever a member who is on the probationary list is restored to their former status in the MBA by order of the Board of Trustees, they shall again become liable for all dues and assessments and other demands of the MBA and Branch, beginning on the month following the month in which the member was restored or returned to their former status in the MBA; and upon such member's failure to pay their monthly dues and assessments within the time prescribed by the General Laws, they shall be disconnected from the MBA without notice.

(i). A member under Option 2 or 3 who may hereafter lose the total sight of one eye, or the loss of one arm or one leg by severance at or above the wrist or ankle joint, may receive one half of the amount of their benefit certificate. Such member shall then surrender their benefit certificate, and the Director of Life Insurance will issue a new benefit certificate for the remaining unpaid half. The monthly assessments of said member will be reduced in same proportion.

**Sec. 5. Option Four.** Twenty payment life certificates issued since January 1, 1912 and prior to January 1, 1938, provide for the monthly payment of premium assessments for 20 full years, at the end of which period the certificate becomes paid-up for its face amount. After two completed years of duration, this certificate provides the following nonforfeiture values: (1) Cash surrender values; (2) Paid-up insurance; (3) Extended insurance; (4) Automatic premium loans; (5) Cash loans. Such certificates are issued on the basis of the American Experience Table of Mortality and 4% interest.

Such certificates are issued on the basis of the American Experience Table of Mortality and 3% interest.

(c). All certificates issued subsequent to January 1, 1955 and numbered less than Certificate Number 35000 provide for premium payments and benefits in accordance with their terms and carry all standard nonforfeiture values. Such certificates are issued on the basis of the 1941 CSO Table of Mortality and 2.5% interest.

(d). On and after August 1, 1973, all benefit certificates numbered 35000 and greater, made available by the MBA, shall be of such form, provide such benefits, contain such provisions, be based on such standards of valuation, provide coverage on such persons, require such premiums

and fees, and shall be issued on the basis of such applications, on such risks, on the basis of such evidences of insurability and underwriting practices, to such persons, with such beneficiaries, and under such circumstances as shall be required or permitted by law and prescribed by the Board of Trustees.

Sec. 5. If any member or other person insured shall die by the hands of any beneficiary designated in the certificate insuring their life, except by accident, whether such beneficiary be sane or insane, the right of such beneficiary to receive any benefit under said certificate shall be forfeited and the benefits which otherwise would have been payable to such beneficiary shall be payable in the same manner as if such beneficiary had died prior to the death of such member or other person insured.

Sec. 2. In the event the MBA's reserves should become impaired, there shall be paid by the member of the MBA the amount of the insured's equitable proportion of such deficiency as ascertained by the Board of Trustees, and if such payment is not made, same shall become an indebted-
